To Whom it May Concern

We hereby confirm our continued endorsement and support for the "Get One", "Net One" and "Get One junior" range of office chairs as well as the "Varidesk" by Ergotherapy.

Evaluation of the above products is ongoing and continues to meet the Expectations of our Association. We are proud to confirm that patient satisfaction is growing and that the contribution of the Ergotherapy range to Spinal Health and improved posture exceeds our expectations.

This is indeed an exceptionally fine product which we are proud to endorse.
